¿Te imaginas como sería tu vida si Mitt Romney fuera Presidente?

Pues solo tienes que escuchar sus propias palabras para saber exactamente cuáles son sus prioridades.

Como ejecutivo, Romney ganó millones para él mismo, sin importar el impacto devastador en nuestras comunidades. Una y otra vez, Romney sacó provecho, mientras se cerraron fábricas y plantas y los trabajadores perdieron sus empleos, sus beneficios y sus pensiones. Y parece que a Romney no le perturbó; hasta declaró que le gusta poder despedir a la gente.

(Romney soundbite – English)

"I like being able to fire people who provide services to me."

¿Y cómo reaccionan los votantes latinos?

(female) Habla mucho de su carácter. Probablemente no va hacer mucho para esas personas que no tienen empleos

(female) No puedo yo votar por Romney.

(male) Yo no votaría por Mitt Romney.

(female) Absolutamente no, yo no apoyaría a alguien con esos tipos de pensamientos, ni valores, ni teorías.

Do you ever wonder what your life would be like if Mitt Romney were President?

All you have to do is listen to his own words to know what his priorities are.

As an executive, Romney made millions for himself, regardless of the devastating impact on our communities. Time and time again, Romney profited, while factories and plants were closed, and workers lost their jobs, their benefits and their pensions. And this didn't seem to bother Romney; he even stated that he likes to be able to fire people.

(Romney soundbite)

“I like being able to fire people who provide services to me.”

And how do Latino voters feel about this?

It says a lot about his character. He probably won’t do much for those without jobs.

I can’t vote for Romney.

I wouldn’t vote for Mitt Romney.

Absolutely not. I’d never support someone with that type of thinking, values or theories.
